

Financial Tear Sheet

Corporate Profile

Wesco Aircraft is the world's leading distributor and provider of comprehensive supply chain management services to the global aerospace industry, based on annual sales. The company's services range from traditional distribution to the management of supplier relationships, quality assurance, kitting, just-in-time delivery and point-of-use inventory management. The company believes it offers one of the world's broadest portfolios of aerospace products, including chemical, electrical and C-class hardware and comprised of more than 565,000 active SKUs.
